WHOLESALE TRADE LIST

*Ferndale Nursery*

*Askov, Minnesota*

## TO THE TRADE

To our many customers and friends in the Nursery trade we extend greetings. We appreciate the favors you have shown us in the past and shall endeavor to merit your confidence in the years to come.

### TERMS—

To customers who are known to us, or who can furnish satisfactory references, we will ship stock on 30 days credit, unless other terms have been agreed upon. Persons unknown to us or with whom we have had no credit dealings must give trade references and allow sufficient time for investigation. To insure prompt shipment of rush orders, persons unknown to us should send money order to cover cost of stock and packing. Two per cent discount allowed on all orders accompanied with cash in full.

### PACKING—

Prices quoted in this catalog **DO NOT INCLUDE PACKING AND BOXING.** This service will be charged for at actual cost of labor and material used.

### C. O. D. SHIPMENTS—

Orders for stock to be shipped C. O. D. must be accompanied with 25% of the amount of the order.

### PARCEL POST SHIPMENTS—

Cash with orders to be forwarded by parcel post **MUST** be accompanied with sufficient cash to cover parcel post charges, otherwise stock will be shipped by express.

### SHIPPING INSTRUCTIONS—

We prefer to have customers give explicit shipping instructions as to how stock is to be forwarded—freight, express or parcel post. Where method of forwarding is not specified or is left to us, we shall use our best judgment as to safest and cheapest method.

### PRICES—

Prices and terms set forth in this catalog are intended for **THE TRADE** only and are subject to change without notice. Please use printed letterhead when ordering. Orders from parties not entitled to wholesale list will not be filled at prices herein stated.

### ORDERS—

All orders are accepted with the understanding that same shall be void should any injury befall our stock through frost, hail, drouth, or any other cause beyond our control.

### INSPECTION—

The stock of the Ferndale Nursery has been duly inspected by an authorized State Inspector, and found free from injurious disease and insect pests. Certificate of such inspection will accompany all shipments.

## **GUARANTEE—**

We guarantee all stock to be true to name and in good condition when it leaves our grounds. We exercise every possible care to have all plants and trees true to name and will, upon proper proof, replace free of charge or refund full purchase price of any tree or plant sent out by us that may prove untrue to label.

We do not guarantee stock to live and no allowance will be made for stock which fails to live after planting.

## **CLAIMS—**

All claims for shortage and unsatisfactory stock **MUST BE MADE WITHIN TEN DAYS** from date of delivery. Claims for shortage, damage or delay in transit should be made to transportation company when stock is called for at freight or express depot.

## **REFERENCES—**

R. G. Dunn Co.

Florist's Credit Association, Inc.

First National Bank, Sandstone, Minnesota.

American Association of Nurserymen.

Minnesota Nurserymen's Association.

## **Special Notice**

Our spring season for handling of evergreens is usually of very short duration. During a brief period of a few weeks we are called upon to move several thousand B&B trees which requires careful planning of work schedule. To assist us operating on an efficient basis we are obliged to ask that orders for B&B trees to be picked up by truck, be in our hands at least two days before truck calls for same.

## **Telephone Orders**

Call Ferndale Nursery, 43-M, ASKOV, MINN.

Telephone orders will be received up to 10 o'clock p. m. every day in the week including Sundays and such orders will be given "special handling" the following morning.

We have established a reputation for quick service and aim to maintain the reputation.

## **TRUCK DELIVERY—**

We are prepared to deliver by truck within any reasonable distance. Our charge for this service will be on a mileage basis and will be found to be very reasonable on full truck loads. For distances under 300 miles, the cost of truck delivery in full loads will usually be less than freight charges plus boxing expense.

Evergreen Seed Beds

# Evergreens

Healthy Northern Minnesota Grown Stock

Seedlings and Transplanted.

Due to heat and drouth which destroyed large numbers of our lining out evergreens, we have only small quantities to offer. Orders are accepted only with the understanding that stock is available. We shall notify customers promptly as to any item ordered which we shall be unable to supply.

O indicates seedlings; X once transplanted; XX twice transplanted.

Seedlings not sold in less quantities than 50 of one size and variety. Transplants not less than 25 of one size and variety.

## **Evergreens**

### **SPECIMEN TREES, BALLED AND BURLAPPED**

We list these trees in two grades. The "Specimen" grade are compact, symmetrical and branched to the ground. We select only the finest trees for this grade. The "Choice" grade are healthy, good quality stock. They may be less compact or not evenly developed on all sides. They are branched to the ground and for many purposes will be just as desirable as the "Specimen" trees. No cripples or thrashy stock will be shipped out under any circumstances. All trees will be carefully dug with solid earth ball on roots and earth ball securely wrapped in burlap and tied with heavy twine.

**DISCOUNTS**—On orders for 5 to 9 trees of one size and variety, 5% discount will be allowed. On orders for ten or more trees of one size and variety a 10% discount will be allowed.

**Carloads:** For prices on full carloads shipped in bulk write for special prices.

**Truckloads Delivered:** We are equipped to make truck delivery to any point in Minnesota or Wisconsin. Will gladly submit delivered price on full truck loads.

**ABIES BALSAMEA** (Balsam Fir). See note below.

**DOUGLAS FIR** (*Pseudotsuga*)

The heat and drouth of last summer did great damage to Balsam and Douglas Fir. Most of our stock of these two varieties is quite unsalable. However, we can supply limited quantities of undamaged stock in either variety. Send us a list of your needs and we shall be glad to quote prices on such stock as we may be able to supply.

## Colorado Blue Spruce

Visiting nurserymen comment on the excellent color of our blue spruce. Undoubtedly this is due to the composition of our soil. We feel confident that you will be perfectly satisfied with our Colorados. For your particular trade try our Northern Grown Evergreens.

## Landscapers Attention

In addition to the specimen evergreens listed, we are in position to supply in limited numbers, Pines, Spruce and Arbor Vitae in sizes up to 12 to 15 feet. We can also supply heavy crowned American Elm and Silver Maple for special planting jobs. We invite correspondence on your needs in this line.

# HARDY FERNS

Hardy ferns still maintain their popularity for general planting. For shade or sun—for bog or dry hillside. For woodland, fernbed, rock garden, border or foundation planting there are suitable hardy ferns to be obtained.

Our list include 25 varieties which experience has proven to be well adapted and easily grown under cultivation.

Dormant roots can be shipped until the middle of June.

Letters following common name of fern indicated adaptability of variety to growing conditions. R. indicates adaptability for rock garden; B. for bog or wet locations; S. for shady places; O. for open sun. Varieties well adapted for foundation plantings are so indicated.

<b>ONE HALF</b> of any of above collections, postage to be added .....	2.60	1.35

## Shredded Peat Moss

Practically the same as peat moss imported from Holland except not quite so dry. Excellent for mulching and to mix with soil for acid loving plants such as ferns, arbutus, bearberry, gentians and many others. Also excellent to mix with heavy soil to prevent baking and packing and to hold moisture.

100 lb. sacks \$1.50, or 50 lb. sacks for \$1.00. Should be shipped by freight.

*Sempervivum*, all var.

*Silene*, *schafta*.

*Sissyrinchium*.

*Thymus*, all var.

*Tiarella*, all var.

*Trillium*.

*Thalictrum*, *adiantifolia*.

*Trollius*, *europa*.

*Tunica* *saxifraga*.

*Uvularia*.

*Viola*, all var.

## Rock Wall Plants

Plants useful for crevices of terraces and flagstone walks.

*Arabis* alpine

*Arenaria*.

*Armeria* *lauchiana*.

*Aubretia*.

*Campanula* *rotundifolia*.

*Calamintha* alpine.

*Cherianthus* *Allioni*.

*Dianthus* *deltoides*.

*Gypsophilla* *repens*.

*Houstonia*.

*Mazus* *reptans*.

*Mitchella* *repens*.

*Papaver* alpine.

*Phlox* *amoena*.

*Phlox* *subulata*.

*Potentilla*.

*Sedum* *acre*.

*Silene* *alpestris*.

*Spergula* *pillifera*.

*Thymus*.

*Tunica*.

*Veronica* *rupestris*, all var.

Ferns, *polipodium*, *Walking*

leaf, *Winged Wood*, and

*Woodsia* *illvensis*.

## Native Plants for Woodland Plantings

*Actea*, *alba* and *rubra*.

*Anemone*, *Pennsylvanica*.

*Arisaema*, *Jack-in-the-Pulpit*.

*Cimicifuga*.

*Cypripedium*, *acaule*.

—*pubesence*, *spectabilis*.

—for moist places.

*Dicentra*, *cucularia*.

*Dielytra*, *exemia*.

*Dodecatheon* *media*.

*Epigea*, *repens*.

*Erythronium*, *americana*.

*Gaultheria*.

*Gentian* *andrewsie*.

## Rock Garden Plants

### Wild and Perennial Plants

Again we are offering a wide assortment of Northern grown hardy perennials, rock garden and wild plants.

During the last few seasons we have experienced a steady increase in the demand for wild or native plants. We believe this demand will continue to increase and that the dealer in perennials who will push the sale of these plants will be well repaid for his effort. We are in touch with collectors all over the U. S. and are constantly adding new varieties of hardy native plants to our list.

**Landscapers Attention:** Many of the varieties we list can be supplied in heavy clumps for immediate effect at double the price of two year plants.

The following index indicates adaptability of plants:

R—for rock gardens; RS—for shaded rock garden; B—for bogs; W—for wall gardens.

L—O stock are seedlings or divisions and are available in season.

Less than 5 plants of one variety will be charged for at double the 10 rate.
